## Global Taekwondo Internship Program

The Korean Cultural Center at the Embassy of the Republic of Korea in Washington D.C. is currently recruiting regional Taekwondo schools to host visiting students from Korea for a three-month teaching internship, as part of the Global Taekwondo Internship Program. The purpose of the program is to allow outstanding Korean college students studying Taekwondo to intern and teach Taekwondo abroad while improving their language skills and cultural awareness, while also giving local schools the opportunity to work with an experienced Taekwondo practitioner trained in Korea who can support and supplement the school's own training programs.

### Terms of Stay

Visiting interns will be placed at local Taekwondo schools for a stay of three months, from August to October 2011. Airfare and local insurance expenses for the intern will be covered by the program administrators, while the hosting school will be responsible for providing the intern's room, board, and other daily needs for the duration of their stay in the United States.

### How to Apply

Schools that would like to apply and be considered for the program should include in their application the following:

- Completed application form (the second page of this document)
- Letter of recommendation from a regional, national, or international Taekwondo association

A representative from the association should also sign the bottom of the application form. Complete applications are due by June 10, 2011, and can be printed and submitted by postal mail or scanned and sent by email to the Korean Cultural Center's program coordinator:
